August 2026

2027 Six Nations

The Championship has been guaranteeing unpredictability since 1883, with every edition keeping global fans hooked at the start of each year. The schedule of fixtures always delivers pure sporting drama, with the strongest international rugby teams in Europe - and the biggest stars of the game - making their case to claim one of sport's most prestigious titles.

The 2027 Championship promises to continue this tradition, with five rounds of fixtures confirmed to kick off on February 5th, and concluding with Super Saturday on March 13th next year

Dear Member

You are now invited to apply for the 2027 Six Nations Championship tickets.

Please complete the below and return asap by email Bobby Dyer whose contact details are shown above – the window for booking tickets opens on the 26th of August, please try and get applications in before this date.

To encourage more families and younger members to experience Twickenham we have included the Junior ticket (Under 16's) price in all categories, please indicate what tickets you require. If you are successful in your application we will let you know and ask for payment to be completed before the end of October 2026.

As a club it is not confirmed how many allocated tickets we will have for the France and Scotland games (previously 42 per match) if oversubscribed we will draw names fairly. For the Italy game we can apply for as many tickets as we want – if a team or group want to make a large booking please make contact asap.

For Ireland and Wales away fixture we may be able to access potentially 2 tickets.

Best Wishes

Bideford RFC
